Dear Mr Mullins,

I am writing to thank you for your kind donation of £50.00 in response to our recent Haiti Earthquake Appeal. Your support really is greatly appreciated and will help ensure that the Red Cross and Red Crescent Movement is able to continue its life-saving work throughout the areas hardest hit.

Red Cross volunteers in Haiti have been assisting the injured and supporting hospitals that do not have enough capacity to deal with this emergency. To help reduce the suffering of families affected by the earthquake, we will be distributing relief items in the worst affected areas, including kitchen kits, personal hygiene kits, blankets, tarpaulins and containers for storing drinking water.

Red Cross relief workers were on the ground soon after the earthquake hit, assessing the situation and additional teams are on their way to the worst affected areas to help provide emergency healthcare, shelter, water and sanitation as well as relief items. The British Red Cross will be doing all it can to support the relief effort to make sure those affected by the earthquake receive the help they desperately need.

Your donation really does make a difference to the lives of those affected by this terrible event. Thanks to you, the British Red Cross is able to offer immediate assistance to those caught up in this humanitarian disaster. Thank you so much for supporting our vital work.

With best wishes,
